Comments: NHPC would like to see gap, for maintenance, between the outbuilding in the garden and the property's boundaries. If permission is granted, NHPC would not want to see the rear outbuilding becoming a separate dwelling.			
<a href="#">P21/V2400/LDP</a>	36 Westminster Way Oxford OX2 0LW	Certificate of lawfulness for proposed use or development for conversion from a residential dwelling (use class C3) to a small House in Multiple Occupation (HMO) (Use-class C4) accommodating a maximum of 6 people.	13/09/2021
Objection: NHPC objects to this application for change of use. There is no identified parking amenity. NHPC does not see how an appropriate amount of parking can be identified for the accommodation proposed.

<p>Objection:</p> <p>NHPC objects to this application due to:</p> <ul style="list-style-type: none"> <li>• The lack of parking amenity for a separate dwelling.</li> <li>• The position of the accommodation to the highway presents a danger to traffic, being on a bend opposite a junction.</li> <li>• There appears to be no bathroom facilities identified on the plans.</li> </ul>			

It was agreed to contact the District Council, copying in the County Councillor and District Councillor, to suggest that dimensions be included in planning applications to enable the Planning Committee to make a judgement on the scale of applications.
