

The Snow Code

If you clear snow and ice yourself, be careful - don't make the pathways more dangerous by causing them to refreeze. But don't be put off clearing paths because you're afraid someone will get injured.

Remember, people walking on snow and ice have responsibility to be careful themselves. Follow the advice below to make sure you clear the pathway safely and effectively.

- **Clear the snow or ice early in the day**
- **Use salt or sand - not water**
- **Take care where you move the snow**
- **Offer to clear your neighbours' paths**
